

Make Abstract Collection Simple, On-line and Manageable

Conference Education is Key - Make your call for papers and abstracts simple, on-line and manageable with Conference Connection. **Continuing education** presentations are a **cornerstone and critical component of the success of your annual conference**, so your call should not be an administrative headache.

Your Members Expect More - At AAG, we understand that **your speakers and members expect more** and **your time is too valuable** prior to your annual meeting to run the process by hand or use outdated applications. **Conference Connection changes all that!**

Conference Connection. Speed up the Process. Keep it Simple.

Easy, intuitive, self-guiding interface.

✓ *Keeps process flowing*

Web-based, secure & managed 24/7.

✓ *Always available*

Single, integrated go-to point.

✓ *Coordinates everyone*

Customizable questions and copy.

✓ *Fits how you do your call*

Live customer support included.

✓ *Dedicated, available and smart*

The Difference - **Conference Connection** was architected from the ground up to simplify a complex workflow. Extensive use of advanced web 2.0 features like progress bars, built-in help, self navigation, click-away samples, data validation and window-shading of content all combine to deliver ease-of-use like never before.

Co-Developed - **Conference Connection** was co-developed by *Education Managers for Education Managers* over the last three years to work just the way they do and be the best-in-class Submit/Review/Admin solution available, bar none!

See what Conference Connection Can Do for You...

If you are an Executive Director, Education Manager or Event Planner of an association, contact us and ask for a live demo to see **Conference Connection** in action today!

A high-impact, affordable set of web apps specifically designed to greatly simplify the submission, review, admin and related processes for associations and non-profits.

Make your next meeting the best ever!
